

Lift your phone and say

Forty things Siri already does on your iPhone. Say "Siri" or "Hey Siri" first, or hold the side button, then say the line.

Reminders and Alarms

"Remind me at 7 PM to start the dishwasher."	A reminder at a set time
"Remind me to take my vitamins every morning at 8."	A reminder that repeats
"Remind me to call the pharmacy when I get home."	A reminder when you arrive
"Remind me to grab the dry cleaning when I leave work."	A reminder when you leave
"Wake me up at 6:30 tomorrow."	Sets an alarm
"Set a timer for 20 minutes."	Starts a timer
"What are my reminders for today?"	Reads your list back

Calendar

"What's on my calendar tomorrow?"	Reads tomorrow back to you
"Add lunch with Karen on Friday at noon."	Adds an event
"When is my next appointment?"	Finds the next event
"Do I have anything Thursday afternoon?"	Checks a time slot

Calls and Messages

"Call Mom."	Calls a family member by name
"Text Dave I'm running ten minutes late."	Sends a text, read back first
"Read my new messages."	Reads texts out loud
"FaceTime Sarah."	Starts a video call
"Return my last call."	Calls back the last caller

Getting Around

"Take me home."	Directions home
"How long will it take to get to work?"	Drive time with traffic
"Find a gas station near me."	Nearby places on a map
"Directions to the nearest pharmacy."	Turn-by-turn to the closest one
"Where did I park?"	Your parked car, if Maps saved it

Quick Answers

"Do I need an umbrella today?"	Today's rain chance
"What's the weather this weekend?"	The weekend forecast
"What's 18 percent of 64 dollars?"	A tip or a discount
"How many ounces are in a cup?"	Kitchen conversions
"How do you say 'where is the bathroom' in Spanish?"	Translates a phrase
"How do you spell 'necessary'?"	Spells a word
"What time is it in Phoenix?"	Time somewhere else
"What song is this?"	Names the song playing nearby

Notes and Lists

"Add milk and eggs to my grocery list."	Adds to a list in Reminders
"Make a note: oil change at 82,000 miles."	Saves a note
"Record a new voice memo."	Starts recording

Phone Help

"Turn on the flashlight."	Flashlight on
"Turn on Do Not Disturb."	Silences calls and alerts
"Turn on Low Power Mode."	Makes the battery last longer
"Turn up the brightness."	A brighter screen
"Find my iPad."	Plays a sound on your iPad
"Take a selfie."	Opens the front camera
